Dear Mr. Getty,

The Chief Firearms Office is responsible for the delivery of the Canadian Restricted Firearms Safety Course. For your member's information, included is the schedule of upcoming courses being offered in New Brunswick.

Due to the limited number of seats in each course, individuals interested in participating in a Restricted Firearms Safety Course should register as soon as possible. Please keep in mind that course registration closes 1 week prior to the start date.

Individuals may register by mailing a cheque or money order for \$75.70 along with their mailing address, date of birth, phone number and desired course location to the address above.

The Canadian Firearms Safety Course, which deals with non-restricted firearms, is offered by the Department of Natural Resources and Energy. Information regarding that course may be obtained by contacting your local DNR office.

Yours truly,

Monsieur, Madame,

Le Bureau du contrôleur des armes à feu est responsable de la prestation du Cours canadien de sécurité dans le maniement des armes à feu à autorisation restreinte. Nous vous faisons parvenir ci-joint le calendrier des cours qui seront offerts prochainement que vous pouvez transmettre à vos membres.

Étant donné le nombre limité de places dans chaque séance de formation, les personnes intéressées à suivre le Cours canadien de sécurité dans le maniement d'armes à feu doivent s'y inscrire dès que possible. Veuillez noter que l'inscription prend fin une semaine avant la date de la formation.

Les personnes souhaitant s'inscrire doivent envoyer à l'adresse ci-dessus un chèque ou un mandat de 75,70 \$ ainsi qu'un document indiquant leur adresse postale, leur date de naissance, leur numéro de téléphone et l'endroit où ils veulent suivre la formation.

Le Cours canadien de sécurité dans le maniement des armes à feu, qui porte sur les armes à feu sans restriction, est offert par le ministère des Ressources naturelles. Vous pouvez obtenir des renseignements à ce sujet en communiquant avec le bureau du Ministère dans votre région.

Veuillez agréer, Madame, Monsieur, l'expression de mes sentiments les meilleurs.

Le contrôleur des armes à feu,
